Plaintiff seeks copies of individual waivers for the non-manufacturer rule issued in connection with several solicitations by the U.S. Small Business Administration ("SBA"). Plaintiff also seeks background information supporting several requested waivers from the Defense Logistics Agency ("DLA"), in addition to copies of several contracts and all contract modifications from DLA. DLA reports that it is continuing to review and process Plaintiff's request. DLA expects to complete its processing and release any responsive non-exempt information to Plaintiff by June 15, 2019 for most requests and by July 15, 2019 for Plaintiff's January 25, 2019 request. The SBA has provided Plaintiff with one responsive record. The SBA will provide Plaintiff with an affidavit describing the scope of the SBA's search by May 30, 2019. The Court ORDERS the parties to file a Joint Status Report by JUNE 30, 2109, updating the Court on the parties' progress bringing this case towards resolution. 07/01/2019		MINUTE ORDER. The Court is receipt of the parties' <u>17</u> Joint Status Report. Plaintiff seeks copies of individual waivers for the non-manufacturer rule issued in connection with several solicitations by the U.S. Small Business Administration ("SBA"). Plaintiff also seeks background information supporting several requested waivers from the Defense Logistics Agency ("DLA"), in addition to copies of several contracts and all contract modifications from DLA. DLA has completed its response to all but one of Plaintiff's FOIA requests. For that FOIA request, DLA is consulting with specific vendors regarding any required withholdings under Exemption 4. DLA will update Plaintiff by July 12, 2019. SBA provided Plaintiff with an affidavit describing the scope of its search. The parties conferred and consider SBA's involvement in the action to be resolved. The Court ORDERS the parties to file another Joint Status Report by JULY 30, 2019, updating the Court on the parties' progress bringing this case towards resolution. 07/31/2019		MINUTE ORDER. The Court is receipt of the parties' <u>18</u> Joint Status Report. Plaintiff seeks copies of individual waivers for the non-manufacturer rule issued in connection with several solicitations by the U.S. Small Business Administration ("SBA"). The parties conferred and consider SBA's involvement in the action to be resolved. Plaintiff also seeks background information supporting several requested waivers from the Defense Logistics Agency ("DLA"), in addition to copies of several contracts and all contract modifications from DLA. DLA has completed its response to all but one of Plaintiff's FOIA requests. For that FOIA request, DLA is consulting with specific vendors regarding any required withholdings under Exemption 4. As indicated would occur in the last status report, DLA has provided Plaintiff with an update on the consultation process. Plaintiff requests that the Court order an August 12, 2019 deadline for DLA to produce the documents responsive to the remaining request and an August 19, 2019 deadline for the production of remaining documents and a detailed

		Vaughn index. DLA reports that Plaintiff's request is not feasible as the consultation process is not complete. DLA indicates that the Supreme Court's recent decision in Food Marketing Inst. v. Argus Leader Media, 139 S. Ct. 2356 (2019), has required additional consultations. The Court ORDERS DLA to provide Plaintiff with an update regarding the consultation process on AUGUST 12, 2019. The Court further ORDERS that DLA prioritize the production of responsive contracts and contract modifications because DLA has indicated that the Exemption 4 consultation process for those records may be shorter than for the contract proposals. The Court further ORDERS the parties to file another Joint Status Report by AUGUST 30, 2019, updating the Court on the parties' progress bringing this case towards resolution. Signed by Judge Colleen Kollar-Kotelly on 7-31-2019. (lcckk3) (Entered: 07/31/2019)
